***Application and Registration Fees:*** If application or registration fees are not paid in full when the application or re-enrollment is first submitted, a minimum payment of 1/4 of the fee, if first paid in February of the preceding year, or \$87.00, if first paid after February of the preceding year, per month is required until the fee is completely paid. Failure to make these monthly payments results in your student not having a reserved spot in his or her class until the payments are current. Any application or registration fee which is not completely paid by May 31 will be increased by \$50.

***Consumable Books and Supplies Fee:*** Each student will be charged for the cost of consumable supplies, workbooks, art and science supplies, etc. This charge is made in addition to each family's responsibility to provide any supplies listed on the year's supply list for each child in attendance. If payment in full is not made by August 10, then an installment fee must be paid on remaining amounts due and a minimum of 1/10 or 1/12 of the consumable fee must be paid each month from August through May or July until the fee is paid in full.

***Testing Fee:*** Each family will be charged for each student in grades 2 through 12 to whom a standardized test will be administered. If payment in full is not made by August 10 then an installment fee must be paid on remaining amounts due and a minimum of 1/10 or 1/12 of the testing fee must be paid each month from August through May or July until the fee is paid in full.

***Field Trip Fee:*** Each student will be charged a fee to cover the field trips planned by the school year. In the event that there are unplanned field trips which will exceed the amount of the fee collected, families will be charged for those as they arise. If payment in full is not made by August 10 then an installment fee must be paid on remaining amounts due and a minimum of 1/10 or 1/12 of the field trip fee must be paid each month from August through May or July until the fee is paid in full.
