

2022-2023 Ballet, Jazz, and Tap Classes

Tuition

<p>Tuition is due the first class of each month with added options to pay for the entire semester or entire year. Tuition is based on the class amount of time taken per family each week. Tuition is payable on a monthly basis. No refunds will be issued for students who withdraw from class in the middle of a month. Similarly, students who register for class in the middle of a month will owe a full tuition payment for that month. Each month's tuition is the same amount even though not all months have the same number of classes. If the student is absent, they may take another class to make up for their missed class. Additionally, if a class is canceled due to weather or illness of the instructor, class will be rescheduled. It is optional if you want to perform in the end of the year performances. If you choose not to perform, you may still attend class for technique and learn the choreography as an understudy when others might be absent.</p>	Class Amount of Time in minutes and hours per family per week	Tuition Due per month
